## Services of PT Anugerah Bahari Pasifik

PT ABP provides comprehensive assistance from the recruitment process until workers complete their contract period, including:

- ✓ **Recruitment and Selection**  
The process begins with consultation, registration, document verification, administrative selection, interviews, medical examinations, through to signing placement documents in accordance with applicable regulations
- ✓ **Language Training**  
Prospective workers undergo language training tailored to the destination country, such as Mandarin, English, or other languages. In addition to daily communication skills, participants also learn vocabulary related to domestic work, service, and communication with employers
